To Whom It May Concern,

North Construction has recently completed alterations and additions to the Woy Woy Nursing Home using a Contract Management system.

The project was completed on time and within budget.

The work consisted of a new wing and alteration within the existing Nursing Home.

It was necessary for building work to be undertaken while the building was still occupied, this work was carried out with a minimum of fuss and without compromising the safety of the residents.

The nursing home administration and SBArchitects have no hesitation in recommending North Construction as honest and reliable builders.

Yours Sincerely,  
SBARCHITECTS

Robert Summerville  
Director.
